

a proposal - three
for Johnny Chang

'a line has direction, - a point of origin and a point of termination. a line is also a discrete entity which exists altogether at the same time.' Fred Sandback 1970''

' there isn't an idea which transcends the actuality of the pieces. the actuality is the idea.' Fred Sandback 1973

duration: a multiple of 9 in minutes.
(ex. 9, 18, 27, etc.)
